#### **Explanatory Note**

(This does not form part of the notification, but is intended to indicate its general purport.)

While disposing IA No. 66 of 2014 in DFR No. 73 of 2014 between the Kerala State Electricity Board Limited and the Kerala State Electricity Regulatory Commission, the Appellate Tribunal for Electricity has directed the Kerala State Electricity Regulatory Commission to frame suitable regulation fixing the time frame for disposal of the review petitions so that the parties who are aggrieved by the order of the State Commission could file appeals before the Tribunal as early as possible. The present regulation 67 of Kerala State Electricity Regulatory Commission (Conduct of Business) Regulations, 2003 is very vast and beyond the scope of section 94 of the Electricity Act, 2003. Hence the Commission has decided to amend regulation 67 of the Kerala State Electricity Regulatory Commission (Conduct of Business) Regulation, 2003, suitably. Accordingly a draft of the Kerala State Electricity Regulatory Commission (Conduct of Business) Amendment Regulations, 2014 has been published for

obtaining suggestions and objections from the general public. Now the Commission has decided to notify the final regulations.

This notification is intended to achieve the above purpose.
